

Welcoming the
ROMAN
MISSAL

THIRD EDITION

Deepen, Nurture, Celebrate

Seminars for Priests and Diocesan Leaders

Sponsored by
the USCCB Committee on Divine Worship
and the Federation of Diocesan Liturgical Commissions

The United States Conference of Catholic Bishops' Committee on Divine Worship (BCDW) and the Federation of Diocesan Liturgical Commissions (FDLC), in consultation with the National Organization for Continuing Education of Roman Catholic Clergy (NOCERCC) and the National Association of Pastoral Musicians (NPM), are offering a training workshop for priests and diocesan leaders on the implementation of the third edition of the *Roman Missal*.

The program will provide the broad context in which the new translation of the *Roman Missal* will be implemented. Attendees will learn about the historical and theological context of the new *Missal* and will look at some of the new translations to deepen understanding of their depth and richness. To help attendees

To help attendees prepare for implementation, the program will highlight the important role of the priest celebrant in both proclaiming and singing the new texts. Speakers will discuss change, and especially adjusting to change, with regard to both priests and lay people. Resources and suggested strategies for implementation of the *Missal* will be provided as well.

A staff member from the USCCB Secretariat of Divine Worship will be the primary presenter for this training session. A second presenter will address elements of leadership in a time of change.
